Quincy Glass Case Records.

My Dear Sir,

Replying to yours of the  
day, that Mr. T. Humphreys was employed  
by me in my office from Jan. to Dec. of 1904  
and that for his physical condition I regard him  
as a competent and efficient C. G. I was disappointed  
when Mr. H. came to my office on Friday June  
25th, as we had had some correspondence re-  
specting him, but he was in no way  
condition, I heard after he came that his feet  
were troubled, and while with me  
I heard him make the statement that  
after leaving me I heard of his remaining at  
Richmond but to what extent I do not know  
while with me he did steadily attend work  
without complaint and satisfied his  
with Court processing, and the various and  
various cases have to do with. I am of the opinion  
as before stated that if physically able he would  
be of service to you.

Yours faithfully,  
E. J. G.
