Official Statement Regarding Supervisor Daniel D. Lee

DINWIDDIE, VA – Recently, District 4 Supervisor, Daniel D. Lee was hospitalized at Virginia Commonwealth University (VCU) Medical Center for a heart-related illness. Following extensive testing and consultation, the medical professionals assisting Mr. Lee have determined that he is in need of a new heart and liver, and as such, he has been placed on the transplant list.

County Administrator, W. Kevin Massengill, communicates with Mr. Lee on an almost daily basis and has visited him in the hospital. Based on these conversations, Mr. Massengill shared “Delivering the highest level of constituent services is a priority for Mr. Lee. He continues to carry out his supervisory duties through email and phone calls from his hospital room.”

Anyone with issues requiring Mr. Lee’s attention is encouraged to contact Mrs. Camisha Brown, Clerk to the Board of Supervisors, at 804.469.4500, ext. 2103, or cbrown@dinwiddieva.us.

Mr. Massengill further expressed, “Please join me in prayer for Supervisor Lee and his family in the days and weeks ahead. He is in great spirits, optimistic about receiving a new heart and liver, and looks forward to serving the great citizens of District 4 in person very soon.”
