## Board Leadership Reads to Head Start Students

DINWIDDIE, VA – Two members of Dinwiddie’s Board of Supervisors visited local Head Start classrooms this week and read to students. District 3 Supervisor and Vice-Chair, William “Bill” Chavis and District 2 Supervisor and Board Chair, Dr. Mark Moore were both greeted with smiles and excitement.

Head Start is a comprehensive, early childhood development program serving low-income children age three to five. Children participating in Head Start receive support designed to prepare them for success in Kindergarten. Services provided include literacy, social skills, medical and dental. Students also receive nutritious meals and snacks during the school day.

Dr. Mark E. Moore stated “It was refreshing to spend time among our youngest citizens. I appreciate being given the opportunity to read to Head Start students and encourage everyone to make time regularly to read to a child.”

Dinwiddie County’s Head Start Program is operated by The Improvement Association and is located on the campus of Southside Elementary School. The program currently serves 72 students.

For more information about Head Start in Dinwiddie, contact The Improvement Association at: (804) 469-4495.
