

Public Service Announcement

January 30, 2026

Dinwiddie County asks for your continued patience as Manned Convenience Waste Management Sites remain closed following last weekend's winter weather event.

The safety and welfare of our residents is always our number one priority. The recent storm created a significant accumulation of ice, which has been compounded by daytime and nighttime temperatures well below freezing. These conditions continue to create unsafe working and driving environments at our manned sites.

County residents are encouraged to use the Dinwiddie County Landfill, located at 10817 Wheelers Pond Road, Dinwiddie, VA 23841. The landfill is open this weekend, weather permitting:

- Saturday, 7:00 a.m. – 7:00 p.m.
- Sunday, 1:00 p.m. – 7:00 p.m.

We sincerely thank our citizens for their patience and understanding. We also extend appreciation to the County's General Services team, who have been working tirelessly every day since the weather event to protect critical public safety assets and safely reopen public facilities.

Updates will be shared as conditions improve and sites are able to reopen safely.
