I understand that not complying with the minimum requirements of the permit may result in the revocation of the permit. I also know that the Dinwiddie County Environmental Administrator may require additional control measures to ensure compliance with the post-construction stormwater management provisions (if applicable) of the Virginia Erosion and Stormwater Management Program. Therefore, my designated agent or I will inspect and maintain the erosion control measures in compliance with the Dinwiddie County VESMP Ordinance. A copy of the signed and dated permit shall be posted at the worksite.

By signing this agreement, I permit the Dinwiddie County Administrator or their representative to enter the property for inspection for compliance with this agreement and the Dinwiddie County VESMP Ordinance.
