Ground Broken for Expansion of Local Business

DINWIDDIE, VA – Browder’s Towing and Service Center, Inc. broke ground this afternoon on a new facility that will provide additional space for their growing business. The new building will cover approximately 12,000 square feet of the eight-acre site, and will serve as headquarters for 17 employees, and their fleet of flatbeds, wreckers and service vehicles.

Dr. Mark Moore, Chairman of the Dinwiddie County Board of Supervisors stated “Browder’s Towing has a long history serving the citizens of Dinwiddie County and the surrounding area. Mr. Browder received his first Dinwiddie County business license in 1975. It is an honor to stand here 43 years later, to break ground on their new building.”

Regarding the occasion, Barbara Browder, Vice President shared “This business began with one wrecker and one employee. We now have 11 flatbeds, two medium-duty wreckers, one heavy-duty wrecker, two service vehicles and 17 employees. We are listed as the primary service provider for the major insurance companies in the Tri-Cities and surrounding areas; and feel favored because some day we will be able to retire and leave a legacy for our children and grandchildren.”

Browder’s Towing and Service Center, Inc. will be located at 6836 Boydton Plank Road, North Dinwiddie, Virginia 23803.
