FORT PICKETT
MANEUVER TRAINING CENTER
Joint Land Use Study

YOUR INPUT MATTERS!

You are invited to a VIRTUAL Public Workshop to provide input on land use planning around Fort Pickett Maneuver Training Center.

The Ft Pickett MTC Joint Land Use Study (JLUS) is exploring impacts of community development on Fort Pickett MTC as well as the impacts of Fort Pickett MTC operations on the surrounding communities. The goal of the JLUS is to reduce current and potential compatibility issues between Fort Pickett MTC and surrounding jurisdictions while accommodating new growth and economic development, protecting public health and safety, and sustaining the operational missions of Fort Pickett MTC.

In order to develop a plan that is responsive to local needs, input from the community is essential!
