

FREE HOME REPAIR APPLICATION

Sunday, June 25 - Saturday, July 1, 2023

Workcamps are intensive one-week trips that help people grow in Christian faith through service. Individuals and youth from around the country will spend one week in our community performing home repair projects for elderly, low-income, Veteran, and disabled families. The work at each home will be done by five young people and at least one adult leader representing many Christian denominations. Both labor and materials are free to qualifying households. To learn how your home might be included, please complete this confidential application and return it to the address below so it may be reviewed and considered for the program.
