Mr. Bassett said we have brought before you the proposed amendment to the current Agritourism ordinance. The current Agritourism ordinance was adopted in 2010. We would like to make some updates to the current ordinance. He turned the discussion over to Mr. Drewry, who gave a synopsis of the changes/updates that staff is recommending/purposing.

Mr. Drewry said since the Agritourism ordinance was adopted in Dinwiddie the Virginia Code has changed somewhat. He specifically covered the changes related to Wineries. He mentioned a five point/five step process that if we answered yes to any of them, we cannot prohibit or regulate against wineries.

There was general discussion among the members concerning the proposed ordinances.

Mr. Bassett said he and Mr. Drewry have heard enough from the commissioner's suggestions and comments that they can move forward with putting together a draft ordinance.

The Commissioners were in agreement with that line of reasoning.

**IN RE: ADJOURNMENT**

The Chairman said if there is no further business he would entertain a motion for adjournment. Mr. Titmus made a motion to adjourn the meeting and Mr. Simmons seconded it and with all Commissioners in agreement the meeting adjourned at 7:00 p.m.

Respectfully submitted,

Mark Bassett
